Dear Community Business Owner, Family, or Friend:

We are Central Iowa Riptide Softball Club. Established in 2014, our program has a proud tradition of not only teaching girls softball skills but life lessons and skills. We firmly believe the lessons learned through competitive softball, such as hard work, teamwork, and dealing with adversity, are skills players will benefit from long after playing softball.

Our program, based on Christian values, focuses on challenging players to be at their best, both on and off the field. While this includes softball skills (catching, throwing, hitting, etc.), our focus is teaching players to be leaders, provide positive energy, stay engaged, and ultimately become exceptional role models. Through hard work and determination, girls set high expectations for themselves, which makes them dedicated, coachable, and college recruitable.

In addition to developing successful life lessons and skills in players, Central Iowa Riptide Softball Club has a history of developing competitive teams that enjoy success both locally and regionally. Our coaches consistently strive to help players reach their goals and play at softball's highest levels.

Central Iowa Riptide Softball Club is a non-profit organization guided by volunteer coaches and parents. We rely on registration fees paid by families as well as sponsorships and donations received from generous individuals and businesses to cover the costs for needed team equipment, field rentals, indoor practice facility rental, and tournament entry fees. The player cost to participate can be particularly difficult for families each season.

To continue making this rewarding experience a reality for our players, we are reaching out directly to area businesses, family, and friends, offering the opportunity to help by donating or by becoming a team sponsor. Your contributions directly help lower the continually growing costs of playing competitive softball. Additionally, Central Iowa Riptide Softball Club is a 501(c)(3) non-profit organization, which, may make your donation tax-deductible. (Please contact your tax professional for guidance.)

For more information about Central Iowa Riptide Softball Club, please visit our website and Facebook page: [www.CentralIowaRiptide.org](http://www.CentralIowaRiptide.org), [www.Facebook.com/CentralIowaRiptide](http://www.Facebook.com/CentralIowaRiptide)

Please take a moment to review and select the sponsorship package that best fits your business and/or budget. Thank you for your support.

Respectfully yours,

Riptide players, coaches, and families

Disclaimer: By a player's or parent's participation in this sponsorship and incentive program, both the player and parent agree to be bound by all terms and conditions contained herein. Only unpaid player fees may be offset by sponsorships. Any player fee credits awarded for sponsorships received after player fees have been paid may be used to offset future player fees. Players are encouraged but not required to actively fundraise. This is an opportunity for players to offset player fees as well as help Central Iowa Riptide Softball Club offset club expenses. A player's participation or lack of participation in fundraising will not impact that player's playing time or status on her team or with the club. The player fee credits listed above are not cumulative. Unpaid players' fees constitute a previous contractual obligation. Such fees paid by a parent, stepparent, adoptive parent, or similar party shall not constitute a sponsorship and shall not count towards the sponsorship balance. Central Iowa Riptide reserves the right to discontinue this incentive program at any time and for any reason. Any player involuntarily or voluntarily removed from Central Iowa Riptide Softball Club shall forfeit any and all rights to any player fee credits.
